

any drawings, specifications and ideas, designs or arrangements represented thereby are and shall remain the property of the architect; and no part thereof shall be disclosed to others or used in connection with any project other than the specific project for which they were prepared and developed without the written consent of the architect. The architect's drawings, specifications and conditions shall constitute conclusive evidence of the intent of these restrictions.

Dimensions on these drawings shall have precedence over dimensions on contractor's shop drawings and shall verify and be acceptable for, all dimensions and conditions on the job and the architect shall be notified of any variations on the job and any conditions where they differ from these drawings. Shop drawings must be submitted to this office for approval before being used with fabrication.
