

September 26, 2018

Randall Rowles
Director of Facilities
Bakersfield City School District
1300 Baker Street
Bakersfield, CA 93305

EVALUATION OF ELIGIBILITY FOR SEISMIC MITIGATION PROGRAM: DSA CONCURRENCE
Project Tracking Number: 63321 (Please use this number for all future correspondence).

Dear Mr. Rowles,

The Division of the State Architect (DSA) has received the Eligibility Evaluation Report prepared by SSG, LLP dated August 15, 2018 for the building identified as:

Building: 1937 Multipurpose and Classroom Addition
Campus: Horace Mann ES
Address: 2710 Niles St.
Bakersfield, CA 93306

Pursuant to Section 1859.82(a), Title 2, California Code of Regulations, the report has been reviewed by DSA. Based on the report findings, the building identified above meets the eligibility requirements for Seismic Mitigation Program (SMP) funding.

For projects consisting of replacement of eligible buildings, a Replacement Option Analysis shall be prepared and submitted to DSA Headquarters in accordance with Section 2 of DSA Procedure 08-03, which is available on the DSA website (Publications Section).

For projects consisting of seismic rehabilitation of eligible buildings, an Evaluation and Design Criteria Report shall be prepared and submitted to the DSA Regional Office in accordance with Section 3 of DSA Procedure 08-03.

Please contact me at 213-897-0559 if you have any questions regarding this notice. For questions regarding the Seismic Mitigation Program funding and Office of Public School Construction (OPSC) procedures, please contact Ms. Hannah Konnoff at (916) 375-4037 or Ms. Karen Mandell at (916) 376-8959.

Sincerely,

Ben Yousefi
